2ND ANNUAL MEETING OF THE WORLD FEDERATION OF
VASCULAR SOCIETIES

June 4, 2008
San Diego Convention Center
San Diego, Calif, USA

CONTENTS

Volume 48, Number 6S December Supplement 2008

GUEST EDITOR

Peter Gloviczki, MD

I. PRESIDENTIAL ADDRESS OF THE WORLD FEDERATION OF VASCULAR SOCIETIES

The science and art of vascular surgery has no country

Peter Gloviczki, MD, Rochester, Minn

II. THE ROBERT B. RUTHERFORD LECTURE

Which is the best revascularization for critical limb ischemia: Endovascular or open surgery?

Jonathan D. Beard, ChM, MEd, FRCS, Sheffield, United Kingdom

III. COMPLEX AORTIC DISEASE

Complex aortic disease: Changes in perception, evaluation and management

Tara M. Mastracci, MD, and Roy K. Greenberg, MD, Cleveland, Ohio

Thoracic endovascular aneurysm repair in Japan: Experience with fenestrated stent grafts in the treatment of distal arch aneurysms

Satoshi Kawaguchi, MD, Yoshihiko Yokoi, MD, Taro Shimazaki, MD, Kenji Koide, MD, Masataka Matsumoto, MD, and Hiroshi Shigematsu, MD, Tokyo, Japan

Branched devices for thoracoabdominal aneurysm repair: Early experience

Marcelo Ferreira, MD, Luiz Lanziotti, MD, and Marcelo Monteiro, MD, Rio de Janeiro, Brazil
### IV. LAPAROSCOPIC AORTIC SURGERY

Laparoscopic aortic surgery: Techniques and results  
Jérôme Cau, MD, Jean-Baptiste Ricco, MD, PhD, and Jean-Marc Corpataux, MD, Poitiers, France; and Lausanne, Switzerland  

### V. ISSUES IN VASCULAR SURGERY

The future of vascular surgery: An Australasian perspective  
Philip J. Walker, FRACS(Vasc), Herston, Queensland, Australia  

Therapeutic angiogenesis in Buerger’s disease (thromboangiitis obliterans) patients with critical limb ischemia by autologous transplantation of bone marrow mononuclear cells  
Vishnu Motukuru, MBBS, MS, DNB, Kalkunte R. Suresh, MBBS, DABS, Vivekanand Vivekanand, MBBS, MS, Sumanth Raj, MBBS, MS, and K. R. Girija, MBBS, Bangalore, India  

A current interpretation of popliteal vascular entrapment  
Jayandiran Pillai, MBCh, BSc, Johannesburg, Gauteng, South Africa  

### VI. INTERNATIONAL EDUCATION

Educational challenges in vascular surgery: An Australasian response  
Alan R. Scott, MBChB, FRCS, FRACS, Nedlands, Western Australia, Australia  

Education in vascular surgery: Critical issues around the globe—training and qualification in vascular surgery in Europe  
J. Hajo van Bockel, MD, David Bergqvist, MD, PhD, Marc Cairols, MD, PhD, Christos D. Liapis, MD, Fabrizio Benedetti-Valentini, MD, Vikas Pandey, MD, and John Wolfe, MD, on behalf of the European Section and Board of Vascular Surgery of the European Union of Medical Specialists, Leiden, The Netherlands; Uppsala, Sweden; Barcelona, Spain; Athens, Greece; Rome, Italy; and London, United Kingdom  

Education in vascular surgery: Critical issues in India  
Natarajan Sekar, MD, MCh, Chennai, India  

Vascular education and training in Asia  
Sopon Jirasiritham, MD, Bangkok, Thailand  

Education in vascular surgery—critical issues: A Southern African perspective  
Martin G. Veller, MB BCh, MMEd(Surg), FCS(SA), Johannesburg, South Africa  

Critical issues in vascular surgery: Education in Brazil  
Ricardo C. R. Moreira, MD, PhD, Curitiba, Paraná, Brazil  

Vascular surgery training in the United States: A half-century of evolution  
Joseph L. Mills Sr, MD, Tucson, Ariz
