## Corrigendum

# Corrigendum to “A chloroplast pathway for the de novo biosynthesis of triacylglycerol in *Chlamydomonas reinhardtii*” [FEBS Lett. 585 (2011) 1985–1991]

Jilian Fan, Carl Andre, Changcheng Xu\*

Biology Department, Brookhaven National Laboratory, Upton, NY 11973, USA

In the original publication, two unfortunate errors occurred in Fig. 2B: (1) in the label on the *x*-axis, PI and PE should be interchanged; (2) the unit on the *y*-axis should read “ $\mu\text{g}/10^7$  cells”

instead of “ $\mu\text{g}/10^5$  cells”. This applies to the unit on page 1987, line 11, left column and the units on page 1988, line 13 and 15, left column. The authors apologize for any inconvenience caused.
