1. Appendix A

The expression for $f_8$ in formula (A.12) is incorrect. Correct expression is following:

$$V \to V_1 V_2, \quad f_8 = \frac{m^5}{24m_1^2 m_2^2} \left[ 1 + 8(\mu_1 + \mu_2) - 2(9\mu_1^2 + 16\mu_1 \mu_2 + 9\mu_2^2) + 8(\mu_1^3 - 4\mu_1 \mu_2^2 - 4\mu_1 \mu_2^2 + \mu_2^3) \\
+ \mu_1 + 8\mu_1 \mu_2 - 18\mu_1 \mu_2^2 + 8\mu_1 \mu_2^3 + \mu_2^3 \right], \quad \mu_{1,2} = m_{1,2}^2/m^2. \quad (1)$$
