2011 BMT TANDEM MEETINGS WILL BE FEB. 17-21 IN HAWAII

The combined 2011 annual meetings of ASBMT and the Center for International Blood and Marrow Transplant Research (CIBMTR) will be Feb. 17-21 at the Hawaii Convention Center in Honolulu.

Recent advances in the broad field of cellular therapy and blood and marrow transplantation will be addressed in plenary sessions, concurrent sessions, oral abstracts, workshops, poster sessions and symposia.

The scientific program chair for ASBMT is Elizabeth J. Shpall, MD, of the M.D. Anderson Cancer Center, Houston, and the chair for CIBMTR is Thomas C. Shea, MD, of the University of North Carolina, Chapel Hill.

In addition to the five days of scientific sessions for BMT clinicians and investigators, there will be other related conferences and sessions:

- FACT Workshops for Applicant Preparation and Inspector Training – February 16
- BMT CTN Coordinators – February 17-18
- Clinical Research Professionals/Data Managers – February 17-18
- BMT Center Administrators – February 17-18
- Pediatric BMT – February 18
- Advanced Practice Professionals (formerly Mid-Level Practitioners) – February 18-20
- BMT Pharmacists – February 19-20
- Transplant Nursing – February 19-21
- Medical Directors – February 20

SYMPOSIA PROCESS

Symposia for the 2011 BMT Tandem Meetings will be asked to adhere to new requirements and procedures for corporate support. The purpose of the new procedures is to more completely separate the scientific and educational content from commercial and other considerations and to comply with evolving rules and guidelines for continuing medical education.

CJP Medical Communications, a medical education company based in Charlottesville, Virginia, is the exclusive provider for symposia during the 2011 BMT Tandem Meetings.
