

A GUIDE (AND ADVICE)
FOR ECONOMISTS
ON THE U. S.
JUNIOR ACADEMIC JOB MARKET

John Cawley

Abstract

This document describes the U. S. academic job market for new Ph.D. economists and offers advice on conducting an academic job search. It reports findings from published papers, describes practical details, and provides links to internet resources. Topics addressed include: preparing to go on the market, applying for academic jobs, interviewing, campus visits, offers and negotiating, diversity, and dual job searches.

This paper is no longer available on this working paper archive. The paper is available as part of the September 2002 Job Openings for Economists and can be downloaded at:
